

Exchange and SQL

iTekLogic allows you to back up your business's important databases.

Does your business depend on databases stored in Microsoft Exchange 2000 or Microsoft Exchange 2003? Do you utilize a Microsoft SQL Server database? iTekLogic allows you to back up MS Exchange or SQL in full or a little bit at a time. With iTekLogic, you can also set up a custom schedule for backing up your databases.

Add Microsoft Exchange Plugins and Microsoft SQL Server Plugins for free with any iTekLogic business account, from 200 MB to 20 GB!
